

Why are Nigerians dying so young?

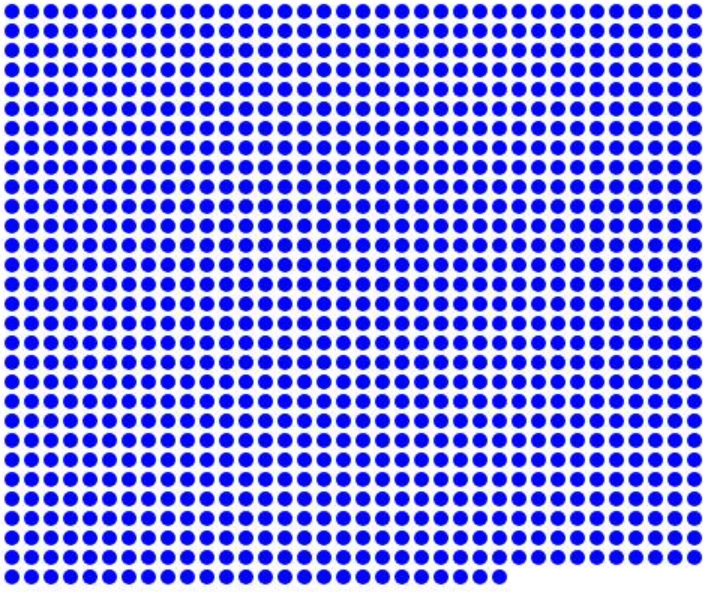

Living **Long** is not about **Genetics**

What the Livewell Report Says

we asked

1,070

Nigerian Adults

Lagos · Kano · FCT

We Are **SICK** before we are **OLD.**

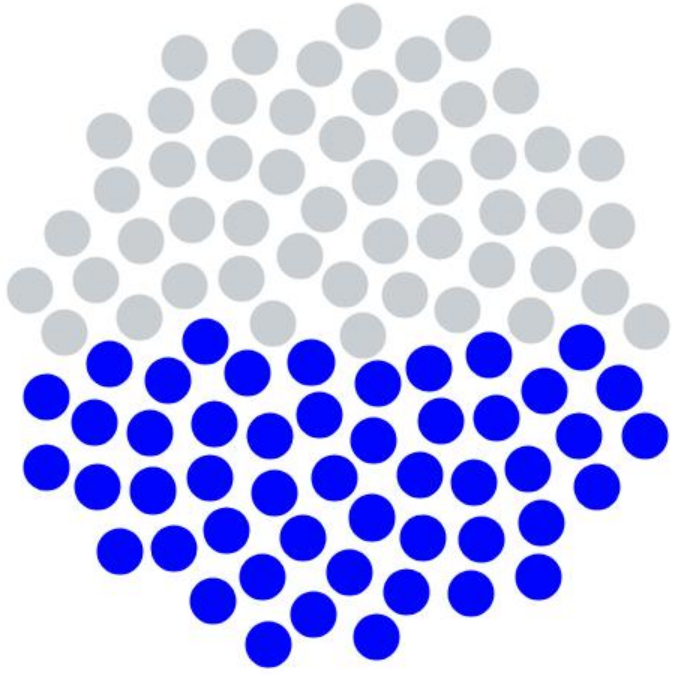

1 in 8

young adults live with long-term illnesses such as diabetes, high blood pressure or heart disease

49%

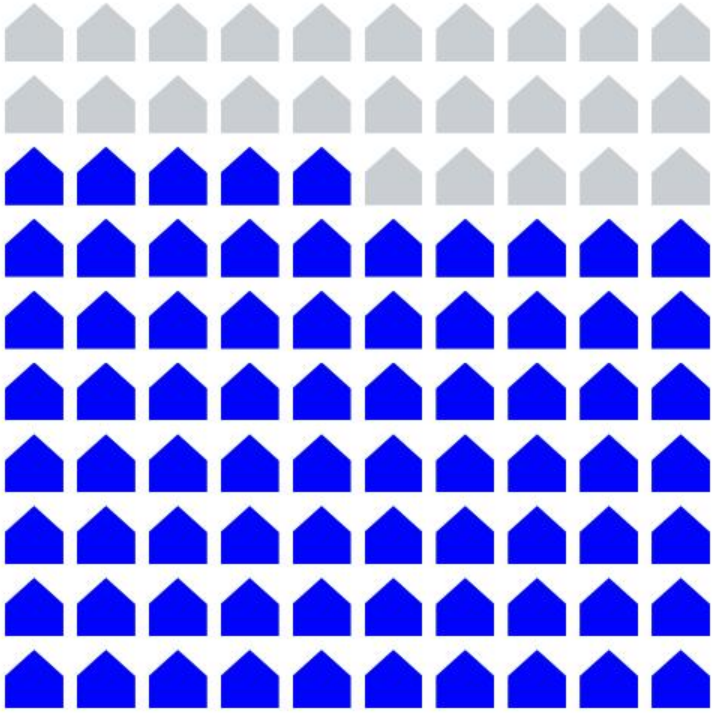

manage a long-term condition, for themselves or a family member.

Politics is cutting
our lives short

3 in 4

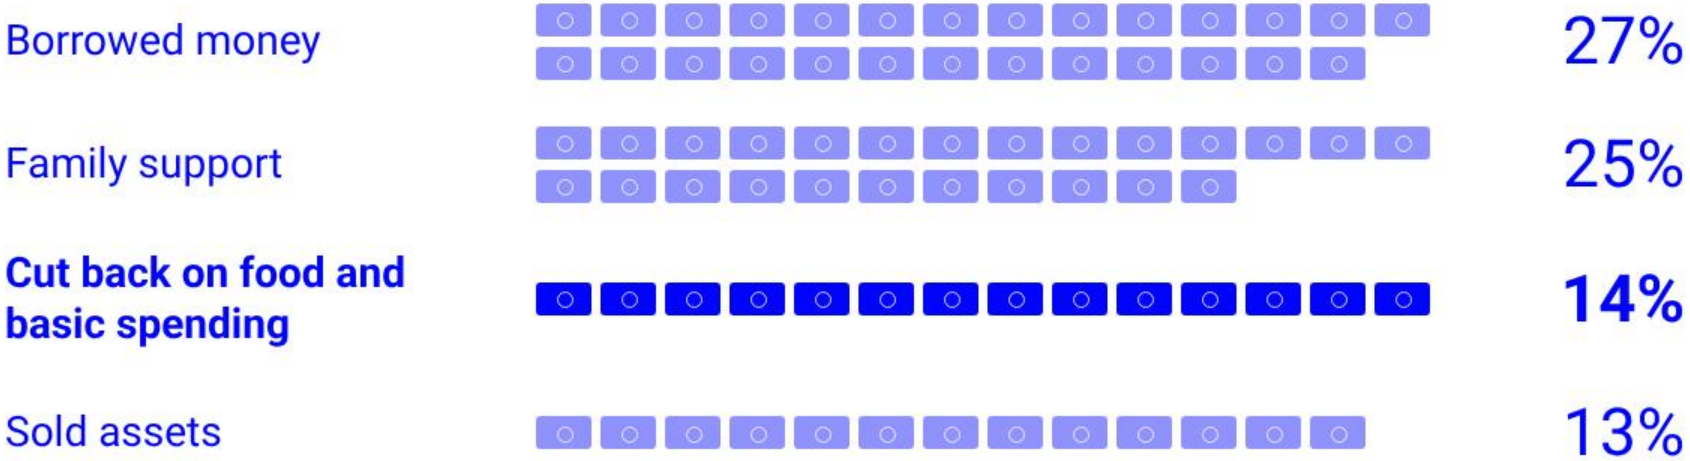

faced corruption
using public
services.

52%

have faced financial strain or forgone treatment due to healthcare costs.

How families paid for care

Our Environment is Making Us Sick

7 in 10

faced extreme heat

54.0%

faced air pollution

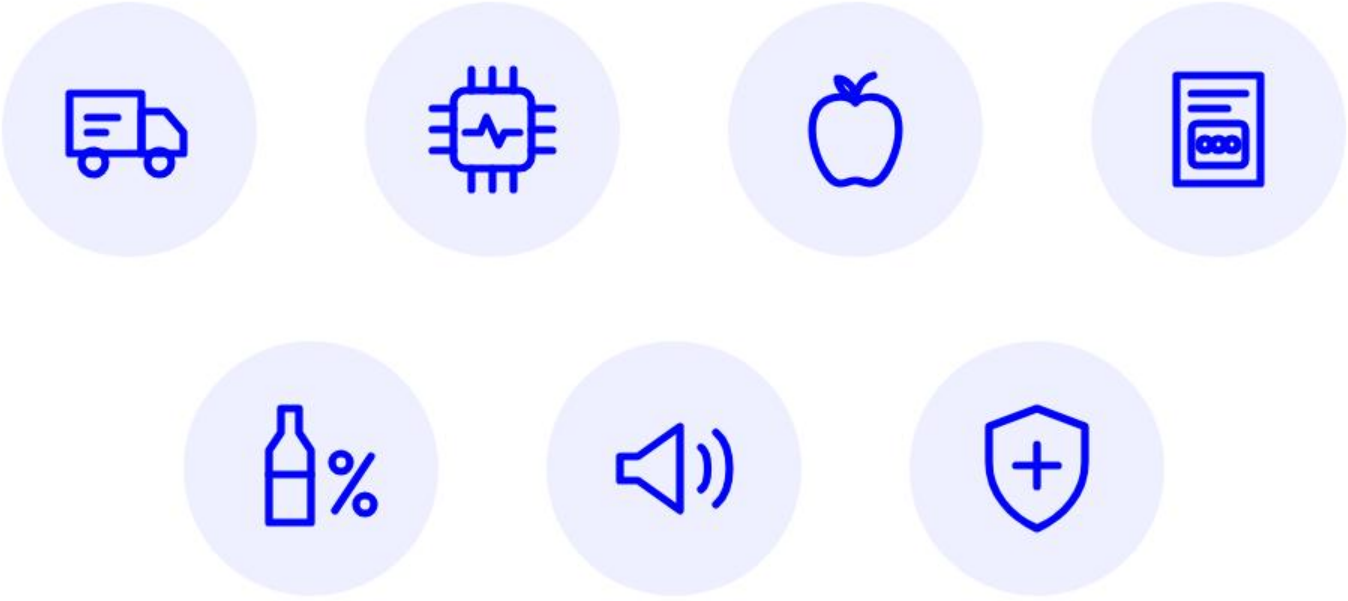

What actually works?

We are not starting from zero.

We already know what works.
